

2.5.7 - 8 Variation and Evolution

Self Assessment

Where is your learning at?

Green: I know it all
 Orange: I have some idea – check the answers
 Red: I need to start studying this section

	Can You	Green 	Orange 	Red 
1	Identify two causes of variation			
2	Identify two types of mutations			
3	Give an example of each type of mutation			
4	List two agents responsible for increased mutation rates			
5	Define evolution			
6	Outline the Darwin and Wallace Theory of natural selection			
7	Discuss the evidence of evolution from any one source (e.g. fossils, comparative anatomy or the study of embryos)
